About This Content

Add to your wardrobe and weapon cache with the Shark Attack Pack. The Shark-O-Matic shoots out a steady stream of slimy fish guts, attracting whatever may lurk under the streets of Steelport. And if that isn't enough, the Shark Bite Hat allows you to experience the feeling of being caught in the jaws of a great white.

Hello friends! This dlc just adds a weapon that shoots fish guts onto people, and that attracts a shark to eat them. In my opinon, the dlc is not worth it, so get it only with the season pass.

Recommended only with season pass.
